**Wizzy Evans** from **Scene to Screen Studios** in association with **Mighty Good Entertainment\***, is thrilled to be continuing the success of it's all inclusive 10 week **Screen Test Process Course**, focusing on every aspect of screen testing and auditioning in a professional environment.

Wizzy Evans has returned to Adelaide after spending the last 10 years casting in both Sydney and Melbourne. Up until 2005, Wizzy managed Mullinars Casting in Melbourne, casting shows such as **“The Secret Life Of US”**, **“Last Man Standing”** and feature films including the Melbourne Casting of **“Look Both Ways”** and the Australian Casting of **“Lord of the Rings”** and **“King Kong”**. She continues to cast on a National level, having completed Kojo Picture's feature film, **“Beautiful”** and more recently, the additional casting for **Scott Hicks'** feature, **“The Boys are Back”**.

Wizzy is proud to bring her wealth of experience to local actors and has tailored this course specifically for those that want to strengthen their skills and learn more.

From commercials to film, from theatre to television series, every genre will be explored when it comes to you, the actor, fine-tuning your screen testing techniques. Throughout this 10 week course, you will be coached, trained and polished to the level of your interstate counterparts and attain that added edge required in an already competitive market.

Amongst many things, you will learn what to do and not to do, how to go about approaching interstate agent/casting directors and what directors look for in an audition. Conducted only twice per year, this specialised course includes such techniques for auditioning such as:-

- Creating a character background
- Styling for your character
- Analytical text approach
- Emotional levels of your character – what is going too far?
- Attaining the light and Shade in a scene

Whether you are a beginner or a seasoned performer, this course will strengthen you as an actor and prepare you for any audition environment.
